Directions to LMEQ Ltd from Dorking via Littleton Lane:

Farm post code is RH2 8LB for Sat Nav, although this has been known with some Sat Navs to take you the wrong way. So...

Coming from Dorking into Reigate on A25. Pass the Black Horse Pub on your right hand side as the speed limit drops to 30mph. Keep following the A25 until the road bears around to the left at traffic lights, here the M25 will be sign posted. Follow this road around to the left but get into the right hand lane. Stay in the right hand lane that will split into a single carriageway, go over the pedestrian crossing and keep following the road around in the right hand lane. You will pass Reigate Town Hall, Esure Insurance HQ and then go through traffic lights - be in right hand lane at this point. Follow signs for "Dorking". This will bring you on to Reigate High Street. Proceed down Reigate High Street going through first set of traffic lights. At second set of traffic lights road splits three ways (Right to M25, Straight on Dorking, Left on to Park Lane) you need to turn left onto Park Lane. Follow Park Lane for approximately half a mile, passing Old Reigatians Rugby Club and the allotments on your right hand side. The road curves round to the right, follow it. At the top of the hill on the right hand side you will see a blue sign post for "LMEQ" and "Littleton Lane". Go down Littleton Lane (take it steady as not great road). Go past the first equestrian premises and keep going straight down Littleton Lane. At the very end you will reach a galvanised automated gate. Call us from there (or any point along the route) and we'll talk you in.
